## Globalization and the Christian Walk – Being Jesus to the World in the 21<sup>st</sup> Century

Events in places we never heard of are affecting our everyday lives. We as Christians must ask ourselves.

- Who are the players in this new global drama?
- How do they interact?
- How do the actions of the USA in trade and other international financial transactions affect poorer countries?
- Do mission projects do enough to fulfill our commitment as disciples of Christ to help those in need?
- What can we do to be more aware of and responsive to these global forces?
- How can the Woman at the Well, the Good Samaritan and the encounter between Peter and Cornelius help us to understand our roles as Christians in globalization?
